Disclosure Statement

The following reports are diagnostic tools intended to review your current financial situation and suggest possible planning shortfalls that might be helpful. This analysis is based on information and assumptions provided by you (the client). As a point-in-time summary, this document is not subject to automatic updating. Additionally, changes to laws are frequent and in and of themselves may cause unforeseen results.

The preparer believes the information contained in the software is accurate, but it has not been independently verified. We recommend that you review your plan annually, unless changes in your personal or financial circumstances require more frequent review. Consult with your tax and/or legal advisors before implementing any tax or legal strategies, which were referred to during the planning process.

The analysis may not reflect all holdings or transactions, their costs, or proceeds received by you. Prices that may be indicated in the report are obtained as of a given date and time from sources we consider reliable but may change at any time without notice and are not guaranteed. Past performance is no guarantee of future results. It is important to realize that actual results may differ from projections and that this report should not be considered a guarantee of the estimated or hypothetical results generated by the software used by the preparer. All rates of return used in this report are hypothetical and for illustrative purposes only and do not represent the performance of any specific insurance or investment product.

This report is not a financial plan. This report is to be used as a planning tool only and is not to be used to solicit the purchase of any particular insurance or investment product. Please also be advised that the hypothetical account calculations are not to be used to solicit the sale of any particular insurance or investment product.

IRS CIRCULAR 230 NOTICE: Please be advised that this document is not intended as legal or tax advice. In addition, U.S. Treasury Regulations require us to inform you that any tax information provided in this document is not intended or written to be used, and cannot be used, by any taxpayer for the purpose of voiding penalties that may be imposed on the taxpayer. The tax information was written to support the promotion or marketing of the transaction(s) or matter(s) addressed and you should seek advice based on your particular circumstances from an independent tax advisor.
